

## POWHATAN METHODIST PRESCHOOL PARENT HANDBOOK 2021-22

### POLICIES AND PROCEDURES

#### Opening and Closing Procedures

Extended Care children arriving for Early Drop Off will use the double doors in front of the CLC (big room) for drop off beginning at 7:45 AM. A teacher will meet you there to walk the child in. School hours are 9-12 or 9-2. Children should be dropped off under the covered entrance at the back of the preschool, for 2's and 3's or the 4's carport area for pre k children between 8:55-9:10. **Each child will have a temperature check and health screening at drop off prior to your departure.** A teacher or assistant will then help your child into the building. If you arrive later than 9:10 please bring your child to either entrance. Ring the doorbell and someone will meet your child to help them into the building. Children will leave school by the same doors. Morning Class children will be ready for pick-up by 11:55 and **must** be picked up by 12:05. Pre k Extended Session pick-up is 1:55 to 2. Pick up time for Extended Care is 4:30 PM. The late fee is \$1 for each minute the child has to wait past pick-up times.

#### Holidays and Weather

School holidays correspond with the Powhatan Public Schools. Please keep your **Preschool Calendar** handy and read newsletters carefully to note any changes. When Powhatan closes due to weather or emergency, preschool closes also. When Powhatan opens 1 hour late, we open at 10:00 a.m. and close at 12:00 or 2. If Powhatan opens 2 hours late, we will open at 11:00 and close at 1:00 p.m. or 2. Early Drop Off will begin 1 hr. 15 min. before any delayed opening time. During late openings Pre K Extended Session and Extended Care will be held. Pick up times remain the same.

#### Absences

Attendance is not compulsory but regular attendance is encouraged so that the child will gain the most from the preschool experience. Please call (598-6090) or email (pumcpre@gmail.com) the school when your child will be absent.

#### Tuition Payment

Tuition may be paid yearly or monthly. Monthly payments are due on the 15th of each month. A \$10 late fee is charged for payments received after the 25<sup>th</sup> of the month. The yearly tuition is divided into monthly payments for your convenience; therefore tuition is due in full each month regardless of sickness, holidays, or days missed due to weather conditions. Payments by check should be mailed in the

tuition envelopes provided or placed in the red drop box just outside the door facing the playground. Cash payments must be given to the director or her assistant.

Checks should be made payable to: PUMC Preschool with child's name in memo.

Please do not hand tuition payment to staff members or send it with your child. If tuition is delinquent by two months, the child may not return until payment or other arrangements have been made. Limited financial assistance may be available through the Audrey Missimer Scholarship program.

### **Withdrawal**

As stated in the **Tuition Agreement**, a parent may withdraw a child from the program by giving the school thirty days notice. This notice must be in written form. No withdrawals after March 15th. The school reserves the right to remove a child from the preschool if it is felt that he/she is not ready for the preschool experience, is unable to benefit from our program or is making it impossible to maintain a happy atmosphere for other children enrolled.

### **Health**

Children entering our program for the first time must submit the **Commonwealth of Virginia School Entrance Health Form** prior to the first day of school. Returning children must submit an updated **Immunization Form** each year. Teachers have CPR and First Aid Certification and have been trained in the use of the AED device located in the Worship Center Building. They have also been taught to administer EpiPens for severe allergic reactions and the school will keep EpiPens prescribed for children in the preschool office. These must be in original containers with the expiration date noted. Children should be kept home when they show any of the following signs: temperature of **100° F** or above, sore throat, thick nasal discharge, cough, rash, earache, nausea or tiredness/change in behavior. Each child will be screened by a teacher before being admitted to the building. Temperatures of teachers and children will be taken with a touchless thermometer. Parents and teachers are required to sign a **Covid-19 Acknowledgement Form**. This preschool follows the guidelines of the VDOE, CDC, VDH and The United Methodist Conference. If your child comes to school sick or becomes sick at school, we will immediately isolate the child and call you to come take him/her home. Please make sure that the emergency numbers we have on file will always be reachable during preschool hours. Notify us if your child is sick.

## Safety

**Personal Information Sheets** and **Emergency Cards** must be filled out by parents and updated as needed. These will be kept in the preschool office. A second copy of the Emergency Card will be kept by the teacher in the classroom. Car pool arrangements will be listed on the 'Emergency Card'. If your child will be leaving school with someone other than a parent or an individual listed on the card, you must let us know in writing. Please let these individuals know to ring the doorbell and the child will be brought to them. No child will be released to an unauthorized person.

Virginia State Law requires children under the age of 8 to be secured in a child safety seat when riding in any vehicle. The policy at our preschool is this: Teachers will not put a child in a vehicle that does not have a safety seat or booster seat. Any person picking the child up with no appropriate seat must come in the building and walk the child to their vehicle.

We use two 'drop-off and pick up' lines as the means of entering and dismissal of children. A safety evaluation by the Virginia State Police recommended this system as the best way to keep our building secure. Smoking is not permitted in the carpool lines and we ask that you refrain from talking on cell phones as you approach the door for drop off or pick up. The doors of the preschool will be kept locked. Please ring the doorbell at either preschool entrance for admittance.

## Clothing

Please let your child wear clothes in which he can freely participate in all activities without fear of "getting dirty." Our art activities are messy, so clothes should be washable. Encourage your child to wear tennis or athletic shoes, which will allow him to run, climb and participate in movement activities safely. (No flip flops). **Please put your child's name on all outer clothing such as sweaters, coats and caps.**

- All kinds of accidents happen at Preschool; therefore, every child must keep an entire change of clothes at school. Please check these clothes as the season's change.

### **Snack**

At mid-morning we have snack time. Each child will bring an **individual snack in a disposable container (zip lock bag is fine) labeled with the child's name.** Water will be served.

Suggestions for healthy snacks: fresh fruit, cheese, popcorn, crackers, raisins, vegetable sticks, dry unsweetened cereal (1 cup), goldfish, and pretzels.

### **Birthdays**

We will make each child feel special on their birthday. They will receive a birthday crown and recognition throughout the morning. If you wish to donate a children's book to the Preschool library in honor of your child the school would be most appreciative.

### **Special Events**

Throughout the year special educational and entertaining programs may be presented at preschool. These include puppet shows, magicians, jugglers, dancers, nature and science shows. An Activity Fee will be collected in October. A monthly newsletter will inform you of these events.

### **Visitation**

Please make an appointment to visit our preschool. All visitors must wear masks.

### **Conferences**

We want to keep our lines of communication open and when the teacher or parent feels a need for a conference an appointment can be made. The teacher is not free to converse during Preschool hours. Changes at home do affect a child's behavior at school so please share with us information that will make us more sensitive to your child's needs. Phone calls, Face Time or Zoom meetings are good ways to communicate with the teacher.

## Confidentiality

All information about children, parents, and staff is confidential. However, by Virginia law caregivers are required to report suspected cases of child abuse or neglect. Children may be photographed participating in preschool activities. These photos may be used for projects, sent home with the children or occasionally may be published in the local newspaper or on our website.

## Social Media Policy

The confidentiality and privacy of children is of utmost importance to Powhatan Methodist Preschool. All children shall have an ‘**Authorization to Release Physical Likeness**’ form signed and on file while attending preschool. Staff members who have social media accounts must have them on the most private setting possible. Staff may not create **new** “friend” status with parents of children who are **currently** attending the preschool. Staff may not post pictures of the children in their class on social media without going through the preschool director. The preschool social media accounts will be managed through the preschool office and any images posted must be approved by the preschool director. Staff may send photos of children directly to the child’s **own** parents via text or email. *Parents are asked not to post pictures of children other than their own on any social media. It is important that we respect the privacy of our children and their families.*

## **PHILOSOPHY** Daily Program

The daily program of the Preschool is flexible. An open classroom program is used with different interest centers in each room. During our interest center time, your child will choose from various activities such as: blocks, puzzles, dramatic play in our home living center, creating with art materials, manipulative toys, table games or indoor play equipment. Themes each month may involve activities associated with family life, the seasons, community friends, holidays, the farm, transportation, animals, etc. Your child’s day will also include time for a snack, small groups or “circle time,” outdoor play, story and music times.
